

Policy Dialogue Meeting No.2

13 March 2024

The 2nd SUMP Türkiye Policy Dialogue Meeting took place on 13th March 2024, focusing on the development of the Green Policy Paper in collaboration with SUMP Türkiye, alongside the initiation of the process for creating the White Policy Paper. The discussion centred on the methodology for the Green Policy Paper, taking into account the fundamentals of mobility, challenges, and alternative approaches. The discussion also included the transition from the Green Policy Paper to the White Policy Paper.

The timeline for developing the White Policy Paper was another key topic of discussion. Participants engaged in interactive discussions and meaningful dialogues to share their insights and help shape the content and direction of the White Policy Paper.
