

Interdepartmental Working Group (IWG) Meeting **28/05/2024**

The Interdepartmental Working Group (BAÇG) meeting was held on May 28, 2024. During the meeting, the SUMP İzmir vision and objectives were shared, along with the list of projects to be included in the 2022 base year transportation model and in future models. An analysis was conducted on how ongoing and planned projects align with the proposed SUMP İzmir vision and targets. Discussions also focused on how these projects connect with major city strategies such as “Greener İzmir” or “Youth and Sports City İzmir,” and which current strategies could be supported by SUMP İzmir.

In preparation for the Urban Logistics Technical Workshop held on Thursday, May 30, information was also shared with participants on van and truck volumes at different times of the day and their impact on the city.
