

SUMP İzmir IWG (Interdepartmental Working Group) Meeting 24/07/2024

The SUMP İzmir IWG (Interdepartmental Working Group) meeting was held, bringing together experts from the SUMP Project Consortium, participants from İzmir Metropolitan Municipality and its affiliates, and district municipalities. The meeting aimed to create a shared vision for İzmir's urban mobility trends. The scenario development results exploring various pathways for İzmir's urban mobility trends were presented to the participants.

Key points included:

- Collaborative discussions on creating a shared vision for İzmir's future.
- Developing innovative scenarios to address challenges and seize opportunities.
 - Sharing upcoming activities in the SUMP İzmir project.
